The Naperville Independent Film Festival (NIFF) and North Central College

The Fifth Annual Naperville Independent Film Festival shows films at four locations: Ogden 6, Hollywood Palms, Hollywood Blvd, and North Central College. As part of its program NIFF shows winners from Paris' European Independent Film Festival (the ECU). For the second year in a row North Central College will present most of the award-winning short films from the Paris' festival, as well as some of Paris' award-winning features, plus a few other short films from around the U.S. Each film from Paris is, in essence, a double award winner because every film in the Paris festival must have won an award at another European film festival to qualify for Paris.

Tickets

For North Central College: \$2.00 per session / \$3.00 whole evening / \$12 whole week

For General Public: \$3.00 per session / \$4.00 whole evening / \$15 whole week

Except Sunday, 9/16: \$3.00 whole evening for everyone.
